Anthroposophic Medicine in Practice**

I am aware that as a consulting physician specializing in Anthroposophic medicine, Tiffany Baer, MD, is not available on nights, weekends, and / or specific holidays throughout the year and she does not admit patients to hospitals. In addition to being a patient of Dr. Baer's, I understand that it would be in my best interest to have a Primary Care Physician with hospital and admitting privileges that could provide emergency care. I also understand that I may elect to use a hospital emergency room for emergency care if needed, if I choose not to have another Primary Care Physician.

Tiffany Baer, MD is not a Medicare provider and not affiliated with any insurance. If you see Dr. Baer in our office you agree to pay in full at the end of each visit. You might ask for a copy of the superbill to submit the visit to your insurance. You cannot submit copies of superbills or claim forms to Medicare, since Dr. Baer is not a Medicare provider.
